

MISSISSIPPI STUD PROGRESSIVE™

Mississippi Stud Progressive™ is a five-card poker game. In Mississippi Stud Progressive, you compete against a paytable, not against the dealer, and you win if your hand is a pair of Jacks or better (pairs of 6s-10s push). The top payout is 500 to 1 for a Royal Flush—and it pays on all bets! Mississippi Stud Progressive also features a progressive bet that pays up to 100% of the jackpot for a Royal Flush.

Getting Started

Make an Ante bet to receive your first two cards. You may also make the optional progressive bet. The dealer will place three community cards face down in the middle of the layout.

Play or Fold?

At this point, you may either fold or make the 3rd Street bet of 1x to 3x your Ante. The dealer then reveals the first community card. Once you see the first community card, you have a choice: fold or make the 4th Street bet of 1x to 3x your Ante. The dealer then reveals the second community card. Once again, you can fold or stay in the game by making the 5th Street bet of 1x to 3x your Ante.

Note: When you fold, you forfeit all bets left in action.

Winning and Losing

After the dealer turns over the final community card, all remaining wagers are resolved. You win if your five-card hand is a pair of Jacks or better (pairs of 6s-10s push). See paytable for odds.

The optional \$1 progressive bet wins if you have Three-of-a-Kind or better. See paytable for odds. The top award – 100% of the jackpot – pays when you have a Royal Flush. A Straight Flush pays 10% of the jackpot. Folded hands do not qualify for payouts on the progressive wager.

Top pays trigger Envy Bonuses. See paytable for payouts. You can win multiple Envy Bonuses in a round, but you cannot receive an Envy Bonus for your own hand or the dealer's hand.
